Puffins (Pancake Muffins)

Submitted by Shaina

INGREDIENTS

Pancake Mix

Your fave pancake toppings

Water

Oil

DIRECTIONS

1. Order this mini cupcake maker, if you don't have one yet.
2. Wait for it to come in.
3. Once it arrives, wash it with warm soap and water.
4. Rub oil in each cup.
5. Plug it in, once it's dry.
6. Make your pancake batter according to the instructions on pancake mix.
7. Fill each muffin cup halfway with batter and close the lid.
8. Wait 2-3 minutes, check the muffins.
9. Poke the last muffin with a toothpick or fork and check if it comes out clean - this means it's done!
10. Pop those puffins out and top with your favorite toppings - enjoy!
